

Year 1 Curriculum map ~ Autumn 1 2026

Welcome to a brand new school in Year 1! We are so ready to see you all and begin our exciting journey together.

In Year 1 this year, your teachers will be Mrs Sneddon and Mrs Ockerby and supported by Miss Bamford. Miss Dransfield will also be in class on Wednesdays and Mr Myers will take you for enrichment P.E on Thursday afternoons.

Our classroom is all set up with lots of areas of provision to still explore.

Things to remember:

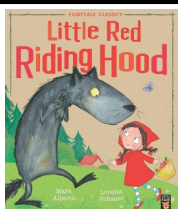

Our homework focus for Year 1 is to simply read! You will have a new book sent home every Friday and we ask for these to be in your bookbag every day please as we read as regularly as possible.

PE lessons are on Mondays and Thursdays. Please make sure earrings are removed before the start of school.

English:

Our focus stories for this half term will be The Rhyming Rabbit (rhyme focus), The Tiger Who Came to Tea (list writing) and we will end with the class tale of Little Red Riding Hood (sentence writing).

We will also have a strong focus on letter formation.

PSHE:

We look relationships. We start with family and friendships. Then respecting ourselves and others and then finally the importance of safe relationships.

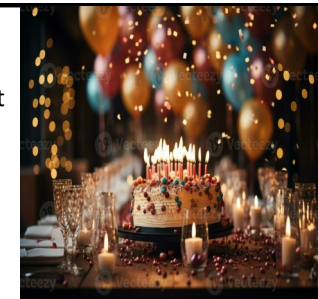

Computing:

This term we are looking at improving mouse skills. We will begin by using the computers to learning how to login and access a website. We then look at dragging and moving items on different platforms. Finishing off by creating a self portrait.

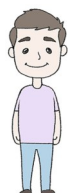

R.E:

Our Re question this term is 'Why are festivals important and why do we celebrate them'. We look into different celebrations and how different religions celebrate these.

Science:

This term we are looking at the human body and learning to label it. Then focusing on our 5 senses and taking part in fun and practical activities to explore a new sense each week.

PE:

We start this term by focusing on tag rugby. The children be improving their throwing skills. We will then move onto football. We will looking at kicking skills and play some short games.

In PE with Mr Myers the children will complete a range of competitive games.

Maths:

We will be securing our place value knowledge on numbers up to 10 and work on our adding and subtracting skills with these numbers.

We will learn how to use lots of different manipulatives and work towards completing calculations with independence. We will also focus on securing our number formation.

History:

Our focus this term is the history of shopping and toys. We begin by looking at how shopping has changed for example the places we shop and how we would to paid in the past. We then look at the toys we have now and compare them to toys from the past looking at the materials and how they are made.

D.T:

We are making puppets this term. The children will be creating, cutting, gluing and pinning their own.

We will be learning:

- What it was like for those who lived in the Stone age to Iron age.
- To locate significant and local Stone to Iron age sites on a map.
- To study how geography of locality influenced life including diet.
- To create cave paintings and Stone Age tools
- To investigate rocks in Science and learn how fossils are formed.
- To compose writing inspired by the Stone Age.
